### + HEALTH

- Low oral toxicity
- Non-carcinogenic
- Non-sensitizing

### △ SAFETY

- Safe on skin (non-irritant)
- Non-flammable
- No halogenated solvents
- No phosphates
- No EDTA / APEO or butoxyethanol
- No heavy metals
- Fragrance-free
- No colourants

### ♻️ ENVIRONMENT

- Readily biodegradable
- Low acute aquatic toxicity
- Limited effect on aquatic life
- No ozone-depleting substances

### PERFORMANCE

When it comes to challenges like oil, grease, lubes, distillates and invert drilling mud, regular detergents can't do the job. Safety clothing has come a long way over the years, still those specialized fabrics and fire-resistant fibres don't stand a chance against the hazardous laundry chemicals that used to get them clean. "Kick it up a notch" in your heavy-duty laundry with SuperKik. It's made for clothes that have to work for a living!

### PRODUCT APPLICATIONS

- Oilfield drilling & service rig camps
- Automotive repair shops, dealerships, detailers
- Paving contractors, heavy duty mechanics
- Drill press operators, machine shops, fabricators
- Coveralls, underclothes, lab coats, gloves
- Restaurant tablecloths, napkins, towels
- Kitchen clothing, shirts, pants and aprons
- Horse blankets, dust mops, club jackets
- Bed linens, comforters, flannel sheets, bed skirts
